

richardhoehn yesterday (Collaborator) (Author) · · ·

No problem, <u>@Kwoods132</u> — I uploaded the summary of our call. In essence, we need to give it a good push this evening and tomorrow to get our individual work onto the paper, and then smooth it out before submission tomorrow night.

I'm traveling, so I'll only be online in the evening.

Feel free to reach out if you have any questions.
